

Igor Geyn

Data and Social Scientist; Ph.D., Political Science, UCLA

igorgeyn@gmail.com | www.igorgeyn.com | Google Scholar | linkedin.com/in/igorgeyn

Research Interests

American politics; political behavior; election administration; political economy of information; causal inference and program evaluation (RD, staggered/stacked DiD, IV, matching/weighting, double ML); voter learning from ballot propositions; policy effects of partisan alignment; administrative data + geospatial analysis.

Education

University of California, Los Angeles (UCLA)	2026
Ph.D., Political Science (American Politics; Political Methodology)	
University of California, San Diego	2015
B.A., Economics & Political Science (Departmental High Honors)	

Publications (Peer-Reviewed)

3. Firoozi, Daniel, and **Igor Geyn**. “Do Tuition Subsidies Raise Political Participation?” *AJE: Economic Policy*, forthcoming. [Working paper PDF](#).
2. Ferrer, Joshua, **Igor Geyn**, and Daniel M. Thompson. 2024. “How Partisan Is Local Election Administration?” *American Political Science Review* 118(2): 956–971.
1. Ferrer, Joshua, and **Igor Geyn**. 2024. “Electing America’s Election Officials.” In *Local Election Administrators in the United States: The Frontline of Democracy*, pp. 57–99. Cham: Springer Nature Switzerland.

Policy & Public Reports

8. Coffman, Janet; Bates, Timothy; **Geyn, I.**; Spetz, J. (2018). *California’s Current and Future Behavioral Health Workforce*. Healthforce Center at UCSF.

Forthcoming / Under Review / Working Papers

“Do political institutions influence voters’ policy knowledge?” (in progress).

“Do single-member district (SMD) elections mitigate racial disparities in primary school discipline?” (in progress).

“Copartisanship and Disaster Relief: Evidence from Close House Elections.” (in progress).

Appointments & Employment

Pacific Gas & Electric (PG&E) , Data Scientist (Contract)	Jun 2024–Aug 2025
<ul style="list-style-type: none"> • Automated enterprise risk analysis and causal effectiveness measurement used in state & federal filings; built interactive tooling for risk scenarios and program evaluation. • Applied RD/IV/DiD and modern ML to wildfire mitigation and risk management workflows; collaborated with engineering and regulatory stakeholders. 	

D.C. Policy Center , Fellow	Oct 2020–Dec 2023
<ul style="list-style-type: none"> • Independently produced a series of data-driven analyses of the District’s health workforce on access/capacity, disparities by geography and demographics, cultural competence, and COVID-era trends. 	

Veo , Survey Science Intern	Nov 2022–Mar 2023
<ul style="list-style-type: none"> • Combined geographic discontinuity & synthetic DiD with survey weighting (e.g., MrP) to inform market expansion using R & Python. 	

UCLA Center for Health Policy Research , Graduate Student Researcher (GSR)	Oct 2020–Apr 2021
---	-------------------

- Contributed to evaluations of California health programs: quantitative analysis (charts/visualizations, narrative text); assessed difference-in-differences and translated methods/results for lay audiences.

Bloomberg Government (BGOV) , Sr. Data Analyst	Sep 2019–Sep 2020
• Built production data pipelines; led UX research to improve app experience across BGOV/Terminal products; contributed to cloud migration.	
Atlantic Media , Sr. Research Analyst	Aug 2017–Sep 2019
• Led multi-analyst team for a multi-million-dollar flagship research product; ran mixed-methods studies for 100+ client engagements.	
UCSF , Research Analyst	May 2016–Jul 2017
• Quantitative/qualitative analysis on health workforce policy, regional disparities, and forecasting (primarily R).	
Initiativv , Research Fellow	Aug 2015–Nov 2015
• Conducted quantitative and qualitative research for a civic-technology startup focused on streamlining California ballot initiatives; covered initiative mechanics, direct-democracy history, and campaign finance in CA elections.	
San Diego District Attorney's Office , Student Worker	Aug 2013–Sep 2014
• Compiled evidence for state and federal prosecution; handled sensitive law-enforcement data under strict protocols; served as the first cross-departmental student worker across county and state agencies.	
Family Law Facilitator (Superior Court of San Diego) , Legal Aid Provider (JusticeCorps)	Oct 2012–Jul 2013
• Volunteered ~300 hours providing legal information to self-represented litigants (custody/support, dissolution, domestic violence); prepared forms, assisted workshops, and supported attorneys/paralegals with client intake.	

Teaching

PS 140: Congress (Teaching Assistant)	Winter 2024
Led discussion sections; created and graded assignments; office hours	
PS 40: Introduction to American Politics (Instructor of Record)	Summer 2023
UCLA High School Summer Institute; syllabus design; lectures; assessment	
Cluster 60: Social Science in the 1960s (Instructor of Record)	Spring 2023
Co-designed modules; lectured weekly; coordinated TAs	
Cluster 60A/B: America in the Sixties (Teaching Fellow)	Fall 2022; Winter 2023
Discussion sections; coordinated final projects	
Undergraduate Research Experience Seminar (Teaching Assistant)	Fall 2022
Mentored research design; IRB/data management	
PS 149: Local Politics and Policy (Teaching Assistant)	Spring 2022
Led discussion sections; created and graded assignments; office hours	
PS 6: Introduction to Data Analysis (Teaching Assistant)	Winter 2022
Taught R; problem sessions; reproducible workflows	
PS 40: Introduction to American Politics (Teaching Assistant)	Fall 2021; Fall 2023; Spring 2024
Led discussion sections; created and graded assignments; office hours	

Methods & Tools

Languages: R, Python, SQL, Stata. *Causal Inference:* RD, DiD (stacked/Callaway–Sant’Anna, Sun–Abraham), IV, matching/weighting, double ML.

Platforms: AWS (S3/EC2/Athena), dbt, Snowflake, Docker, Foundry, Git/GitHub.

Visualization: ggplot2, matplotlib, Tableau/Looker, Power BI.

Awards & Grants

- Summer Research Grant, California Policy Lab (CPL), *Summer 2022*.
- Summer Mentored Research Fund (SMRF) Award, UCLA, *Summer 2021*.
- Star Award for Employee Excellence, Government Executive Media Group (GEMG), Atlantic Media, *2019*.

Conferences & Workshops

- Election Science, Reform, and Administration (ESRA) Conference — 2021.
- Southern Political Science Association (SPSA) Annual Meeting — 2022, 2023.
- Midwest Political Science Association (MPSA) Annual Meeting — 2023.
- Political Economy of Climate and the Environment (PECE) — 2023.
